*Joseph Bailey*

Called to order at 7:24 P.M

BOS Members Present: J. Hotchkiss, M. Schwarz, J. Bailey

James and Roxanne Keegan came in front of the board to get an update on prior concerns. DES (Department of Environmental Services) will be meeting with the Board and Code Enforcement on Monday March 13<sup>th</sup> to address some of the concerns over septic systems, junkyards etc. J. Keegan has offered to put in the other driveway to eliminate the traffic issues but other land owners not in favor. Question on the right of way that is further down the road that is where the access to the 55 acres lot in question. L. Parker will try to research this right of way. Question on the original building permit for the house on the 55 acre lot. R. Keegan feels that the building permit does not match the actual building. Were there other permits for the changes? She wants to know why if there is not; that the town does not do anything about that. Board is looking into the business concerns with the planning board.

Meeting adjourned at 8:03 PM.
